### **What Information Do We Collect?**

- *Personal Information You Provide to Us* – We only have access to and collect personal information (such as your name, date of birth, social security number, credit card number, mailing or billing address, telephone number, or email address, and email preferences (collectively, “Personal Information”) that you voluntarily give us via email or other direct contact from you. We will not sell or rent your Personal Information to anyone. We are the sole owners of the Personal Information collected on this Site.
- *Information Collected by Automated Means* – Whenever you use the Site, we, as well as any of our third-party advertisers and/or service providers, may use a variety of technologies that automatically collect information about how the Site is accessed and used (“Usage Information”). Usage Information may include, in part, browser type, operating system, the page served, the time, how many users visited the Site, and the website you visited immediately before the Site. This statistical data provides us with

information about the use of the Site, such as how many visitors visit a specific page on the Site, how long they stay on that page, and which hyperlinks, if any, they “click” on. Usage Information helps us to keep the Site fresh and interesting to our visitors and to tailor content to a visitor’s interests. Usage Information is generally non-identifying, but if we associate it with you as a specific and identifiable person, we treat it as Personal Information.

- *Device Identifiers* – In the course of collecting Usage Information we may also collect your IP address, MAC Address or other unique identifier (each a “Device Identifier”) for the computer, mobile device, Wi-Fi card, or other technology (collectively, “Device”) you use to access the Site. A Device Identifier is a number that is automatically assigned to your Device when you access a web site or its servers. Our computers identify your Device by its Device Identifier. When you visit the Sites, we may view your Device Identifier. We use this information to identify repeat visitors to our Site. We also may use this information to send you targeted advertisements and to enhance the Site. We may associate your Device Identifier with your Personal Information.

The technologies used on the Site, including Device Identifiers, to collect Usage Information may include, without limitation:

- *Web Beacons* – We may also include web beacons (also known as web bugs, Internet tags, pixel tags, tracking pixels and clear GIFs) with the content and ads that we deliver to you, which we will use to collect information regarding your interaction with our content and ads. A web beacon is a transparent graphic image placed on a web page or in an email, which indicates that a page or email has been viewed or that an email has been forwarded. In addition, a web beacon allows third parties to obtain information such as the IP address of the computer that downloaded the page on which the beacon appears, the URL of the page on which the beacon appears, the time the page containing the beacon was viewed, the type of browser used to view the page, and the information in cookies set by the third party. A web beacon may also tell your browser to get content from another server.

Cookies and web beacons (together, “Site Cookies”) may enable us to track and target the interests of our users to enhance the experience on our Site, track user actions/behavior on our Site and track the effectiveness of ads.

#### *ReachLocal*

We also work with a company called ReachLocal, which assists us in advertising our products and/or services. One of the products that we may purchase from ReachLocal is a retargeting product, which enables ReachLocal to show you advertisements for our Site when you visit other sites in the ReachLocal network or in third-party networks. ReachLocal is able to do this through

the use of cookies that are provided by ReachLocal through its third-party partners (“Advertising Cookies”). The sole use of the Advertising Cookies is to show you advertisements for our Site; they are not being used to target you in any other way. Moreover, ReachLocal does not link or otherwise connect the information in the Advertising Cookies to any Personal Information that you may have provided.

We will not trade, rent, share or sell your Personal Information to third parties unless you ask or authorize us to do so.

Unless you ask or provide your consent to do so, we will not share your Personal Information with any third party outside of our organization, other than with our service providers, including as necessary to fulfill your request, e.g. to ship an order. Only employees who need the Personal Information to perform a specific job (for example, billing or customer service) are granted access to Personal Information. The computers/servers in which we store Personal Information are kept in a secure environment.

### **How to Opt-Out of Targeted Advertising**

You can set most web browsers to notify you if you receive a cookie, or you may choose to block cookies, though either of those actions may affect the use of our Site. If you prefer to not receive targeted advertising, you can opt out of some network advertising programs that use your information. To do so please visit the Digital Advertising Alliance (DAA) Opt-Out Page: <http://www.aboutads.info/choices/>. Please note that even if you choose to remove your information (via opting out), you will still see advertisements while you are browsing online. However, the advertisements you see may be less relevant to you and your interests. Additionally, many network advertising programs allow you to view and manage the interest categories they have compiled from your online browsing activities. These interest categories help determine the types of targeted advertisements you may receive. The DAA Opt-Out Page provides a tool that identifies its member companies that have cookies on your browser and provides links to those companies' pages where you can opt-out of receiving targeted advertisements from companies.

While the Site does not currently respond to 'Do Not Track' signals submitted by your browser, you can opt out of any of the Advertising Cookies at any time by simply visiting <http://www.reachlocal.com/opt-out> to adjust your preferences on placement of Advertising Cookies currently used in connection with ReachLocal's remarketing product. You can also find out more about your 'Do Not Track' options by visiting <http://www.allaboutDNT.com>.
